Mission Statement
The Pullman Education Foundation operates exclusively for charitable and education purposes to
improve the quality of public education in the Pullman School District and provide a means of enhancement.

Teacher Grant Application
2022-2023

Application Deadline: October 24, 2022. Please submit completed application to
pullmaneducationfoundation@gmail.com

The Pullman Education Foundation (PEF) Teacher Grant Program started in 1997 as a way to enhance classroom learning. Each applicant may request **up to $500 per year**.

The grant proposal should be for items that will enrich/enhance the Pullman School District and building curriculum goals. The grant proposal should not include items that are normally supported by building budgets (for example – technology hardware/software or classroom supplies) or other grants offered by the Pullman School District. Applicants should check with the Assistant Superintendent regarding potential funding from the district prior to submitting an application requesting funds from PEF. The number of grants awarded will depend on funding available.

The Foundation will choose the grants based on the following criteria:
1. Clarity of the project or item
2. The number of students impacted
3. How the project will integrate into the district curriculum goals
4. Whether the item has long-term use
5. Creativity of the project or item

Your <u>principal's signature must be on the application</u>. If you have questions, please contact the PEF at pullmaneducationfoundation@gmail.com
